[Show More](#)

The black **boomSTREAM mini - Portable Bluetooth Wireless Media Speaker** from **Scosche** is a compact Bluetooth wireless speaker. It has a built-in rechargeable battery that takes about 3.5 hours to charge and can last for up to 7 hours. Inside is a 40mm suspension driver to provide rich, full sound for all your audio selections. You can skip tracks and adjust the volume directly on the speaker. And for non-Bluetooth devices, the speaker has a 3.5mm auxiliary input. Included are both a USB charging cable and 3.5mm audio cable for ease of use. Given the petite size of this speaker, it allows for maximum portability.
