# Notepal L2

The Notepal L2 is the affordable, no-frills lightweight laptop cooling solution for all your needs. Wherever or whenever you are, our laptop stand offers a silent cooling fan with plug-and-play capability for convenient performance, and a full mesh metal board for optimal air flow and minimal slippage. User-friendly ergonomic design boosts comfort when using your laptop for long periods, improving productivity in the workplace and in the game.

## Features

- A Lightweight Body for Portable Cooling - Take the stand wherever you want, and use it whenever you need it.
- Silent Plug-and-Play Fan for Convenience - One large fan instead of multiple smaller fans to reduce noise and improve air flow efficiency.
- Full Mesh Metal Board - Full range frameless mesh allows superior airflow and prevents laptop slippage.
- Ergonomic Comfort - Improve typing comfort and boost your productivity in the workplace and in the game.

## Specifications & Packing Information

EAN code	4719512060643
UPC code	884102033247
Net weight (kg)	0.719
Gross weight (kg)	1.169
Carton dimension (L x W x H) cm	42.7 x 32.6 x 9.5
Unit/Carton (pcs)	5

Cont.	W/ Pallet	Carton/ Pallet	W/O Pallet
20'	1200	20	N/A
40'	2400	20	N/A
40 HQ	2880	24	N/A

Product Name	Notepal L2
Product Number	MNW-SWTS-14FN-R1
Dimensions (mm)	379 x 285 x 47.5
Fan Dimension (mm)	Ø160*15 mm
Fan Speed(rpm)	1000±15%
Fan Air Flow(CFM)	56
Fan Noise (dBA)	31 (max)
Power	USB 5V DC
Ports	USB 2.0x1 , Micro USB x1
Current Consumption (A)	0.21
Power Consumption (W)	1.01
Compatibility	Support up to 17" laptop
Weight(kg)	0.64
Warranty	2years
